2022 Fond du Lac County Natural Beauty Awards

June 15, 2022

Do you look forward to watching your neighbor's yard grow and blossom each year? Have you ever driven past a yard and the landscaping made you do a double take? Have you seen any beautiful rain gardens, prairie plantings, or carefully tended ornamental landscaped yards? If so, we want you to nominate them for a Fond du Lac County Beautification Award!

Beautification through landscaping and outside property improvements are the focus of this award. Nominations will be accepted until Monday, July 18.

There are numerous ways to submit a nomination:

- Email county.clerk@fdlco.wi.gov
- Call the County Clerk's Office, (920) 929-3000
- Mail a written nomination to "Beautification Awards," County Clerk's Office, P.O. Box 1557, Fond du Lac, WI 54936-1567
- Please include your name, phone number, and email address, as well as the name, address, and phone number/email or website of the nominated site.
- If you can, please provide the contact information for the nominee; it will be so much easier to contact them about their award.

Members of the Fond du Lac County Natural Beauty Council will tour the nominated sites in early August. Awards will be presented at a fall session of the Fond du Lac County Board of Supervisors. Winners will receive a Fond du Lac County Beautification Award plaque.

Area 4-H clubs may be nominated for planting flowers and shrubs. They will receive a gift certificate.

Members of the Fond du Lac County Natural Beauty Council include John Rickert, Sarah Everson, Pam Bartoli, Patty Percy, and Michael Will.
