

Request for Bids

Town of Rosendale – Fond du Lac County 2025 Road Projects Cold Mix Paver Wedging & Hot Oil Seal Coating

Cold Mix Wedging

*The cold mix paving asphaltic material shall be MC, SC Asphalt. It shall be mixed in a plant equipped with weigh belt-conveyer and automatic computer-controlled proportioning of asphalt to aggregate.

***All aggregates to be used in the asphaltic mixtures shall be 100% virgin in nature.** No recycled asphaltic aggregates will be accepted.

* Cold Mix must be produced and used in a continuous operation and may not be stockpiled to be used at a later date.

MS Hot Asphalt

* Resurfacing all sections approved by the town with **PG 58-28 Cut Back Liquid Asphalt heated to 350 degrees** and applied in a single pass up to 24ft. width.

* Cover aggregate to consist of 100% fractured black granite stone and applied in one-pass up to 24ft. width.

* Contractor to **provide cold mix pot-hole patching** prior to seal coat application. Contractor will provide a truck that contains cold mix patch material including an operator to fill any potholes/voids necessary prior to the chip seal process.

* Aggregate to be compacted with a duo-packer consisting of both rubber and steel.

1. Bids must be received no later than 5:00 p.m. on Friday, June 13, 2025. Bids received after that date and time will not be opened or considered. Bids will be publicly opened at the June town board meeting on Thursday, June 19, 2025. The contract may or may not be awarded at this time.

2. Bids must be in a sealed envelope and clearly marked on the outside of the envelope **“Sealed Road Bid”**.

3. Bids should be sent to:
Town of Rosendale
Roxanne Tarnow
567 Sarah Dr
Fond du Lac, WI 54935
